

Registration Form: 2022-2023 RCIA Program

Welcome to St. Mark's RCIA program!

The RCIA (Rite of Christian Initiation of Adults) program is a process marked by study and discussion by which non-baptized men and women enter the Catholic Church. It follows the ancient practice of the Church, restored by the Second Vatican Council, and is the normal way for adults to learn about the faith in a mature setting with other like-minded persons having the intention of becoming Catholic.

Here at St. Mark's we conduct a two-track program for those who are already baptized Catholics and wish to complete their Initiation into the Church by receiving the Sacrament of Confirmation and those who desire to become Catholic either by Baptism or who were baptized in another Christian tradition but wish to be received into the Catholic Church.

Led by Deacon Chris Sandner (dnchris@sbpr.org) the program commences at

6:00 PM on Sunday October 2, 2022.

In turn, the program concludes with the reception of the Sacraments of Initiation (Baptism, First Holy Communion and Confirmation) at the Easter Vigil on April 8, 2023. The exact schedule is available on the parish website (<https://saint-marks.net/adult-religious-education-rcia>).

The program consists of approximately 18 evening sessions lasting one (1) hour and using the Catechism of the Catholic Church (CCC) as the primary resource. Attendance at a one-day retreat in the Spring is required, and many say that it is the highlight of the entire process. Details and all of your questions will be handled at our first meeting on Sunday October 2nd at 6:00 PM in Baxter Hall (the big room next to the church.)
